## PROFILE

Full-stack web developer with experience in front-end programming, using React with Tailwind and Redux.

<https://linkedin.com/in/roberto-jardines>

<https://github.com/charliejp21>

## EXPERIENCE

### JUNIOR FRONT-END WEB PROGRAMMER

Front-end programming for the main e-commerce, using react with tailwind for css and a strong focus on SEO. I also implemented redux for state management and used axios to communicate the web app with the wordpress API, along with other JavaScript libraries.

**SEÑOR SEGURIDAD**

2023 - 2024 (1 year and 1 month)

### WEB DEVELOPER

Web developer for the e-commerce and intranet using wordpress with woocommerce, php, css, custom post types, and custom functions. VPS administrator and responsible for company system support.

**COMERCIAL ELÉCTRICA**

2019 - 2022 (4 years and 8 months)
